References and Documents

I will be pleased to provide any document related to your project upon request.

I will also be pleased to put you in contact with some clients, so that you can talk with them about their experience and hear their comments on services rendered by my company. When possible, I will even organize a viewing of the work done at their place.

You can always read customers' references on my site, hoping that yours will be posted there as well in the near future.

Community and Professional Involvement

I like to contribute to my community. I strongly believe that it is important to share my knowledge, experience and time to improve not only my quality of life, but also that of people around me.
